

# LET YOUR CREATIVITY SOAR ON THE IMAGINATION RUNWAY

Look for paper airplanes with the Magical Questions on them. You can find them on the table below, or in your welcome packet.

Find someone - an old friend, a new one, or anyone - to discuss the magical question with.

Together, answer the magical question on the back of this sheet, leaving room for others to add to the conversation.

Then fold the sheet into a paper plane and launch it on the Imagination Runway!

Feel free to pick a plane off the runway, unfold it, and add to the dialogue.

Fold it again, and relaunch it.
